DESIDOC/0301/LRC/AD/2015

06 January 2016

Dear Prof Raina

**Sub: Meeting of DESIDOC Research Council**

As per the provision of DRDO, every laboratory /establishment has a Research Council for planning, reviewing and monitoring of lab level research support activities.

2. We are writing to inform you that the Competent Authority has approved your name as the **Chairman of the Research Council of DESIDOC**. The Research Council has a chairman, three external experts (from academia, domain experts, management expert, etc.) and three members from sister DRDO labs/estt. (including retired scientists) besides a Member Secretary. Director DESIDOC is the Co-Chairman of the Research Council.

3. The DESIDOC Research Council (RC) is expected to evolve and deliberate on lab level five-year rolling plan, including micro plan based on current technologies at national as well as international level and to identify technological gaps. Besides advising DESIDOC research projects and help in identifying areas of collaborative development the Committee will also review/ monitor and suggest mid-course corrections for technology development support activities and S&T initiatives of the lab. The RC will explore on interlinking DESIDOC with the research initiatives of other labs/ institutions/ universities and advise on business plan and relevant technology transfer for the Lab.

4. As the Research Council is required meet at least twice in a year (preferably Jan and July). It is therefore proposed to convene the first meeting of new constituted Research Council in January 2016.

5. You are kindly requested to convey your convenience for the meeting on 19 January 2016 at DESIDOC. An early response will help us in scheduling necessary logistics support that you required may be arranged as per DRDO's policy and rules.
