Mahapura Jaipur, India

Dear Dr. Tiwari

Re: Postdoctoral Fellow Appointment

It is our pleasure to offer you an appointment as a Postdoctoral Fellow in the Department of Mathematics & MS2Discovery Research Institute within the Faculty of Science. This position is established to work with Dr. Roderick Melnik on the project entitled "Mathematical and computational modelling of low dimensional nanostructures and biological systems at the nanoscale and multiscale levels."

This is a full-time position for the period December 1, 2016 with the anticipated end date of November 30, 2017. The appointment may be subject to renewal. Your annual salary will be \$35 400 plus 4% in lieu of benefits. Your duties will be innovative research into coupled effects in low dimensional nanostructures and biosystems, including theoretical analysis and computations (using M2NeT facilities and Sharcnet); in addition you are expected to work as a team member, contributing to this field through publications and professional presentations.

As per the Postdoctoral Fellow Handbook, you will be entitled to 2 weeks vacation per year with salary and benefits. Vacation must be taken during the year in which it is earned and will not carryover.

For more information regarding the working conditions of the appointment, please find the Postdoctoral Fellow Handbook in the link:

http://legacy.wlu.ca/documents/62951/Postdoctoral_Fellow_Reference_Guide.Dec.15.pdf

Mandatory payroll deductions including income tax will apply. You will be paid in accordance with the University pay schedule, on a bi-weekly basis (see the bi-weekly pay schedule here: http://legacy.wlu.ca/page.php?grp_id=2459&p=11102). Your annual salary will be subject to applicable deductions and remittances, including deductions for certain costs of the benefits in which you will participate, and mandatory government deductions, including income tax, Canada Pension Plan contributions and Employment Insurance premiums. For additional information regarding mandatory government deductions, you may wish to review the information provided by the Canada Revenue Agency at www.cra-arc.gc.ca/tx/bsnss/tpcs/pyrll/menu-eng.html.

If during the term of this employment you wish to terminate employment, you may do so by providing two weeks' written notice to me. The University may terminate this employment contract at any time for cause without notice or payment in lieu of notice. Furthermore, the University may terminate this employment contract at any time and for any reason by providing you with only the minimum amount of written notice required by the *Employment Standards Act, 2000* ("ESA"), or by paying you the

minimum amount of termination pay in lieu of notice or a combination of both, as well as paying severance pay and all other outstanding entitlements, if any, owing under the *ESA*. You agree that this notice, or notice and payments, fully satisfies the University's notice and severance obligations upon termination of your employment, whether arising under the *ESA*, common law, or this agreement. This term of employment with the University shall continue during any continuing, or further employment, irrespective of position, with the University unless expressly provided otherwise.

The offer of appointment is conditional on you meeting all Canadian immigration requirements to enter and work in Canada. This temporary appointment consistent with the terms of the International Mobility Program and is subject to the appropriate approvals being given by Citizenship and Immigration Canada (CIC). As a Postdoctoral Fellow, the University is exempt from the requirement of a Labour Market Impact Assessment confirmation under exemption code "C44". You are required to obtain a temporary work permit in order to enter the country, to legally begin and maintain the position.

You also may need to obtain a visitor visa and/or electronic Travel Authorization (eTA) before entering Canada by air. You can determine whether you need a visa and/or eTA by referring to this link: <http://www.cic.gc.ca/english/visit/visas.asp>. It is your responsibility to ensure that you are legally entitled, pursuant to CIC's requirements, to work at Laurier. If you are unable to do so on or before your appointment start date, this offer and any acceptance of it by you will be null and void unless a written deadline extension is provided by the University. If you encounter difficulties obtaining the necessary documents and clearances, please contact Dr. Roderick Melnik immediately to discuss the possibility of extending the deadline associated with our offer.

Finally, you are required, by December 1, 2016, to arrange to have an official transcript confirming the conferral of the PhD submitted to the Faculty of Graduate & Postdoctoral Studies. This official transcript (or letter verifying completion, on institution letterhead signed by a designated authority) must be received directly from the institution, and may be sent by fax (519-884-1020) or as an e-mail attachment to hparet@wlu.ca.

Please find the attached enclosure outlining additional information of your appointment.

As with all members of the campus community, you will be expected to observe and to conduct yourself according to all University policies (e.g., research integrity, research ethics, conflict of interest, misconduct, intellectual property, biosafety, information technology, confidentiality, harassment and discrimination).

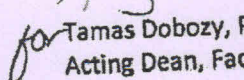

Wilfrid Laurier University offers accommodation to its employees with disabilities who require accommodation in accordance with the University's Employment Accommodation Policy and Procedure, http://www.wlu.ca/documents/21674/Accommodation_Policy%5B1%5D.pdf. Accommodations may include, but are not limited to, the provision of accessible formats and communication supports or the creation of individualized emergency response plans. Questions regarding the Accommodation Policy or the accommodation process can be directed to the Health and Abilities Management Consultant, Cindy Gruhl at cgruhl@wlu.ca or 519-884-0710 ext. 2452.

By accepting our offer of an appointment, you agree that this letter, along with any attachments, and the documents and policies referenced herein, constitute the entire agreement between you and the University with respect to your appointment, and that there are no prior agreements, understandings, undertakings, representations or warranties, whether oral or written, between you and the University.

with respect to this appointment. To indicate your acceptance of this offer, please sign and return one original of this letter to me as soon as possible, or in any event on or before October 14, 2016, after which time this offer shall expire.

We look forward to welcoming you to Laurier.

University Health Insurance Plan:

University Health Insurance Plan (UHIP) coverage is mandatory for all employees who are not already covered under a provincial health plan in Canada (e.g. Ontario Health Insurance Plan (OHIP)). The Plan is provided through Ontario universities for all eligible participants and their dependents who are not eligible for OHIP coverage. This Plan is comprehensive and is designed to pay most of the costs of the hospital and medical services you may need during the three-month waiting period for OHIP. International employees must obtain medical insurance coverage from the University Health Insurance Plan (UHIP) at their own expense. Upon your arrival you must fill out a UHIP application form at the Business Office to enrol in the plan. For more information regarding UHIP please visit their website: www.uhip.ca

Additional Available Benefits:

As a Postdoctoral Fellow you will have access to the University Library, computing services, research space. You have the right to purchase a parking pass and an athletic facilities pass.

As a Postdoctoral Fellow at Laurier, you are eligible to purchase group health and dental insurance at a cost of approximately \$550 for single coverage, or \$1100 for family coverage per calendar year (rates are reviewed annually and are subject to change). Deductions for the health and dental insurance premiums will be made monthly through payroll deduction. If you wish to purchase this coverage, you must complete the applicable enrolment forms no later than 30 days from the start date of your appointment. Information about the Post-Doctoral Fellow benefits plan and the enrolment process can be accessed on the Graduate Studies Website <http://www.wlu.ca/gradstudies/postdocs>. Postdoctoral Fellows are not eligible to participate in the University's Pension Plan.

Upon Arrival:

Upon arrival on campus, you are required to arrive at the Graduate & Postdoctoral Studies Office where you will need your social insurance number, and a voided cheque from a Canadian bank account, showing complete banking information including the name of your bank, its branch or location, and the account number into which your pay will be deposited.
