Diwali Milan

As Diwali is a festival of light in which all used to celebrates it by lightening diyas, similarly in our girls hostel we have celebrated it first time by lightening diyas, rangoli, decoration, games and snacks. Firstly, to get start with the event we had invited our respective V.C sir for a small token of address to the girls. After the motivating speech by him we started our evening with rangoli competition which comprises of 6 teams. After that we had played games like musical chair, lemon race and paper dance. In musical chair there were total 8 participants and winner was sanyukta.

E-open house session for parents and students

Institute of Engineering and Technology and Institute of Management organised an E-open house session for parents and students of I and II year BTech and BBA on May 11th and 13th 2020 for updating the parents with the university's current and future course of action. Dr. R L Raina, Vice Chancellor, JKLU, in his address shared and briefed the purpose of the session, to address all the queries students had about the university's academic calendar, online teaching and assessment status as well as term end examinations and also to share some good developments on new initiatives that the university has successfully undertaken during lockdown.

The program was planned so as to involve these students with University environment by engaging them in various academic, cultural and creative activities. The program started with inaugural ceremony on July 22, 2019 in which Vice Chancellor, Pro Vice Chancellor, Heads of Institutes addressed the students and parents. Structure of this programme included inspirational talks, workshops on Mechacraft, Electrocrafft, theatre, design and photography, Start-up Masterclass, community panel discussions, sports and cultural activities and many other exciting and interesting sessions.

Dahi-Handi Celebration”

‘Krishna Janmasthanmi is an annual Hindu festival that celebrates the birth of Krishna, the eighth avatar of Vishnu.’ This year the Student Life Committee of JK Lakshmipat University (JKLU) took the initiative of celebrating the Dahi-Handi Celebration on the birthday ceremony of Lord Krishna in a very different way. The program was scheduled on August 24, 2019 from 3:00 pm onwards in volleyball court arena.

The program was started with cultural program where students performed their songs and dance on spiritual bhajans. The program was concluded by a vote of thanks to all the members of the Janmastami team who work through day and night and made the program successful and entertaining. From 4:30 pm onwards the most awaited moment dahi handi program started where the students of JKLU were participated and busy making the pyramid to reach the hanging handi and break it. This year very first-time girls are taken the initiative for breaking dahi handi then JKLU boys have their turn. Soon, the struggle of the participants was successful and the pyramid reached till the hanging handi. The sound of DJ was at its peak and everyone enjoyed Dahi Handi Celebration.

**Parichay: Fresher's Welcome
(8th August, 2019)**

JK Lakshmipat University, Jaipur organized "Parichay" on 8th August 2019 to Welcome the class of 2019 of BBA, B.Tech, B. Des, MBA and M.Tech Programs. Hon'ble Vice Chancellor, Dr.R.L. Raina inaugurated the event and welcomed the new batch to the University. He expressed the relevance of the occasion in building the bond and bringing out the best in an individual. He blessed the students for their fruitful learning experience at JKLU. To encourage the students, Dr. Sanjay Goyal, Director Institute of Engineering & Technology, Dr. Rani, S. Ladha, Dean, Institute of Management and faculty members were also present on the occasion.

The fresher's welcome was more of celebrating the talent of the new batch. All the new comers got the opportunity to showcase their talent which added the exuberance during the event. Students showcased various talents possessed by them which included song, dance, poetry, stand-up comedy, music etc. Each of these were artistically and beautifully presented.

**Report of “NIGHT BASH” (Intra university cricket tournament) 2nd September –
11th September 2019**

JKLU sports club had organized a Night Bash (Intra University cricket match) from 2 to 11 September, at university's basketball court. Comparing statistics to the last year we have 7 more teams in the tournament added this year total teams are 13 in this, 10 boys and 3 girls' team. All the players of respective teams showed enthusiastic sportsmanship and determination towards the sports. And the final match was played by B.Tech and BBA students. Where BBA students lost the match by 4 runs and the winners tag of Night Bash event was taken by B.Tech team. Over all the whole match was just like a movie with thrill, drama and excitement. We continue to hope that these types of tournaments would happen again and again to keep the sportsmanship and health awareness amongst the students alive.

Stories Worth Sharing Meetup by Tales and Tacos

22nd August, 2019: Centre for Communication and Critical Thinking in association with Stories Worth Sharing Meetup by Tales and Tacos organized JKLU 3.0 – A storytelling session, a platform for commoners to share and listen to (funny, proud, embarrassing, unique stories). The venue for the event was Centre for Communication and Critical Thinking (CCCT) and it witnessed 32 students from across all the courses at the university. Ten among 32 people were Storytellers in the event and shared stories about their most intense phase of life they have been through.

The host for the event was Kanwardeep Singh Gahlot (7th Semester - ECE student) and Storytellers from all the branches had very enthusiastic stories about the life's bitterness but though finding happiness among little things the first storyteller Ansh Bhatia (1st Year) shared "How his father and his opinions were never on the same frequency but how he now is coping up with them"

Vadak 2k19

There is a famous saying as quoted by Napoleon Bonaparte that “Music is what tells us that human race is greater than we realize” and there could no other possible way or words which express the mission of Anunad Music Club while undertaking the event **Vadak-2k19** on 1st August, 2019. The main motive of the event was to detect and make people realize of the talent we possess and what we are made of. Also, this became a great opportunity and introduction of the club to the fresher batch. The event covered the blissful voices which made everyone’s heart melt. Performances featured Anshika Pengoria, Divya Bhatia, Aditya Tiwari, Sanket Sharma, Abhimanyu Singh and an instrumental piece by Snehashish Banerjee. The event also had an Open Mic which enabled the audience to give proper definition to their talent in front of the audience and to express themselves in a way other than any department student but an individual who talks through music.

Visit of M H Dalmia

Shri M H Dalmia, President, OCL India Ltd. visited University on 17 September, 2019. He was welcomed and briefed about the University by hon 'able Vice Chancellor, Dr. R.L. Raina. He visited CCCT, Institute of Design, AIC, Faculty & Student Research and Project exhibition, IET labs and LRC during his campus visit. He appreciated the University initiatives and also guided few things.

He interacted with students and faculties in IM Amphitheatre and shared his thoughts on the theme "Healthy Way of Life'. He propagated healthy lifestyle through his own examples and suggested about how we can develop healthy life through naturopathy and by adopting healthy habits. 'Early to bed and Early to rise' is the secret of healthy life. He stated that student should come out from the comfort zone and work as per their wisdom and capacity. Handling failure should be inevitable part of education. He also shared about the Dalmia Scholarship program, running in Banasthali and the five expectations from the benefitted girls.
