JK LAKSHMIPAT UNIVERSITY

Skill Development Workshop Report

Title: Skill Building Seminar on “Design Process”

Duration: April 8, 2019

No. of participants: 35

Resource Person: Prof. A. Balasubramaniam, JKLU

JK LakshmiPat University organized a skill building seminar on **Design Process** for Design aspirants on April 8, 2019, to introduce them to design process and design methodology. Post the ice-breaking session by Mr. Gaurav Juyal, Lecturer, Institute of Design, Prof. A. Balasubramaniam briefed the participants about the offerings of the Institute of Design at JKLU. The session was followed by activities and a tour facilitated by Ms. Parul Gupta, Lecturer, Institute of Design, and Mr. Premlal Ravilal, Lecturer, JKLU, where the participating aspirants were familiarized with 3D Printing Machines & Laser Cut Machines.

A. Balasubramaniam

Skill Development Workshop Report

Title: Workshop on “MATLAB Programming Skills in Communication Systems”

Duration: April 10, 2019

No. of participants: 70

Resource Person: Dr. Divyang Rawal, Department of ECE, LNMIIT, Jaipur

The Department of Electrical and Electronics Communication, IET, organized a one-day workshop on **MATLAB Programming in Communication Systems** on April 10, 2019. The workshop aimed at making the participants understand the methods to improve data rate of wireless communication systems and their MATLAB implementation. The resource person for the workshop was Dr. Divyang Rawal, Department of ECE, LNMIIT, Jaipur.

(Dr. Pushendra Singh)

Skill Development Workshop Report

Title: Competency building workshop on “DEVOPS in Integration with Cloud and Security”

Duration: April 10-11, 2019

No. of participants: 110

Resource Person: Mr. Ashutosh, Chief Technical Officer, Adhoc Network

Department of Computer Science & Engineering, IET, organized a two-day workshop on **DevOps in Integration with Cloud and Cyber Security** in collaboration with Adhoc Networks, Jaipur during April 10-11, 2019. The workshop was facilitated by Mr. Ashutosh, Chief Technical Officer, Adhoc Network, where the students came to know about trending technologies like Docker and Ansible.
