Subject: Offer Letter for Technical Internship

Dear Aditya Sharma,

In reference to your application and our subsequent interaction, we would like to congratulate you on being selected for an internship with Ignite Solutions. Your internship is scheduled to start from Dec 23rd 2019 for a period of 6 months.

You will be working as a **Software Engineer Intern**. As part of this internship you will be expected to learn new programming languages, technology platforms and frameworks. This will involve self-learning under the guidance of our technical staff. You will also be given specific projects or made part of ongoing work activities.

Your stipend for the duration of this internship is Rs. 20,000 per month, payable on the 5th day of the next month. You will need to work from our office in Vimannagar, Pune for the full day on all working days. Absent days will be deducted from your stipend and frequent absenteeism will affect your performance evaluation. Should we decide to terminate your internship earlier than the end date, you will be paid a pro-rated amount. You will need to sign a proprietary and non-disclosure agreement prior to starting this internship.

We are keen to convert your internship to a full-time employment. During the course of your internship, you will be evaluated on your performance including your ability to grasp concepts, learn new technologies and apply your knowledge and skills in coding, validating code and using good software engineering practices. Based on your performance we may make you an offer of full time employment during or at the end of the internship period.

Congratulations and we look forward to working with you.

Yours sincerely,

for Ignite Solutions India Pvt Ltd

Internship Offer

Dear Aman,

I am pleased to confirm your acceptance of an internship as Mobile Application Developer with Saachi Technologies Private Limited. You will be working on mobile application development using React Native as primary library. You will also require to submit your daily progress to me.

Your internship will be starting from 02/01/2020 and you will work 40 hours per week totalling 640 hours for the duration of internship. As an intern you will receive Rs. 12K per month but you will not receive any of the employee benefits that regular Company employees receive.

During your employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of employment, you acknowledge that you must keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your employment, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information. Your internship with the Company is "at-will," which means that either you or the Company may terminate your internship at any time, with or without cause and with or without notice.

Sincerely,
Sameer Jain

All life on earth is supported by the sun. This amazing resource radiates energy and provides us both heat and light by fusing hydrogen into helium at its core. We call this solar radiation. Here in the Northeast, we've been warming up by the unexpected Storm. Summer will be here before we know it—and with the rising temperatures, we'll see rising energy bills. Solar energy are a great way to offset energy costs, reduce the environmental impact of your home and provide a host of other benefits, such as supporting local businesses and contributing to energy independence.

Solar energy can be used for solar electricity generation represents a clean alternative to electricity from fossil fuels with no air and water pollution, no global warming pollution, no risks of electricity price spikes and no threats to our public health.

Rajasthan has a huge potential of solar energy, the climatic conditions of state makes it ideal for capturing the solar rays in sufficiency. The climate of Rajasthan is semi-arid; the desert of Thar is spreads on the 66.66 % of total area of state. These climatic specialties makes it suitable to receive almost 300- 25 sunny days in a year , which is second highest amount of sun radiation all over the world. The average temperature of western cities of Rajasthan is between 35-40 degree, and in summer, it reaches above 45 degree.

Rajasthan has always been a champion in the generation of electricity from solar and all the projects of solar that have been done till date is successfully generating electricity. As of March 2019, there are about 3227 mega watt solar power projects commissioned in Rajasthan and as per new solar policy the target is to set up a 50 GW solar project in Rajasthan in the coming 5 years

We may inform you that we, Diwakar is a collaborative effort of solar energy professionals with a vision to contribute in Solar Mission and participate in nation's growth into renewable energy with an extensive experience of more than 800 MW Power Projects from the beginning of solar mission in India, we are involved in this field and became pioneer for various kinds of solar projects in Rajasthan & Other States in India.

One of our Director Mr. Sunil Kumar Bansal have full length of knowledge and experienced in the field of solar projects he is a General Secretary of Rajasthan Solar Association and attach with FORTI as a capacity of Chairman Mines and Energy Committee and CII as a capacity of Member.

We hereby accept internship of your students and please send them from 13th of January 2020

Subject: Permission Request for Internship

Sir,

I am Raveena Kodwani, Computer Science Engineering student currently in VIII Semester. I was selected by C-DAC ATC, Jaipur as an Intern but they are not offering me any stipend. Therefore I applied in Bulwark CyberX, Jaipur which is a reputed company and was selected there as an Intern. They are also offering me a good stipend with a possible placement.

It is a good opportunity for me.

So, I request you to kindly grant me the permission to work there as an Intern.

I have forwarded the confirmation mail from Bulwark CyberX.

Thanks and Regards,

Raveena Kodwani

Dear **Hitesh Mali**

We are pleased to offer you an internship with **ANGIRASOFT INDIA PVT. LTD.**. This is an educational internship. Our goal is for you to learn more about **Web Development**.

As we discussed, your internship is expected from 20 May 2019 to 8 July 2019. However, at the sole discretion of the Company, the duration of the internship may be extended or shortened with or without advance notice.

As an intern, you will not be a Company employee. Therefore, you will not receive a salary, wages, or other compensation. In addition, you will not be eligible for any benefits that the Company offers its employees, including, but not limited to, health benefits, holiday pay, vacation pay, sick leave, retirement benefits. You understand that participation in the internship program is not an offer of employment, and successful completion of the internship does not entitle you to employment with the Company.

During your internship, you may have access to confidential, proprietary, and/or trade secret information belonging to the Company. You agree that you will keep all of this information strictly confidential and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of the internship, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

Subject: Offer for an internship program : Prathan

To: Vijay Tak

Dear VIJAY TAK

We are pleased to offer you an internship with PRATHAM SOFTWARE. This is an educational internship. Our goal is for you to learn more about Web Development.

As we discussed, your internship is expected from 20 May 2019 to 8 July 2019. However, at the sole discretion of the Company, the duration of the internship may be extended or shortened with or without advance notice.

As an intern, you will not be a Company employee. Therefore, you will not receive a salary, wages, or other compensation. In addition, you will not be eligible for any benefits that the Company offers its employees, including, but not limited to, health benefits, holiday pay, vacation pay, sick leave, retirement benefits. You understand that participation in the internship program is not an offer of employment, and successful completion of the internship does not entitle you to employment with the Company.

During your internship, you may have access to confidential, proprietary, and/or trade secret information belonging to the Company. You agree that you will keep all of this information strictly confidential and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of the internship, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

By accepting this offer email, you agree that you will follow all of the Company's policies that apply to non-employee interns, including, for example, the Company's anti-harassment policy.

This email constitutes the complete understanding between you and the Company regarding your internship and supersedes all prior discussions or agreements.

I hope that your internship will be successful and rewarding.

Sincerely,
Manoj Kachhawa

Associate Vice President

Dear Jitendra Ji and Somnath Ji,

This is to inform you that we have offered an internship program to Hardik Agarwal and Anirban Sarkar yesterday after the due process. Both of them have accepted the offer and agreed to report to join us on 26th December 2018. The terms and conditions are as below:

1. The internship comes with a rider. If the candidate completes the internship to our satisfaction, we will offer them a job and they cannot refuse and will have to work with us for minimum 3 years after completing internship. So, in a way, not just their internship, two students have got placement also.
2. If they are just not good anytime during the internship, we may ask them to leave the program anytime. In case, they complete the internship but do not appear to be good enough to work with us full time for 3

Subject: Offer Letter for Technical Internship

Dear Param Agarwal,

In reference to your application and our subsequent interaction, we would like to congratulate you on being selected for an internship with Ignite Solutions. Your internship is scheduled to start from Dec 26th 2018 till June 28th 2019.

You will be working as a **Software Engineer Intern**. As part of this internship you will be expected to learn new programming languages, technology platforms and frameworks. This will involve self-learning under the guidance of our technical staff. You will also be given specific projects or made part of ongoing work activities.

Your stipend for the duration of this internship is Rs. 10,000 per month, payable on the 5th day of the next month. You will need to work from our office in Vimannagar, Pune for the full day on all working days. Absent days will be deducted from your stipend and frequent absenteeism will affect your performance evaluation. Should we decide to terminate your internship earlier than the end date, you will be paid a pro-rated amount. You will need to sign a proprietary and non-disclosure agreement prior to starting this internship.

During the course of your internship, you will be evaluated on your performance including your ability to grasp concepts, learn new technologies and apply your knowledge and skills in coding, validating code and using good software engineering practices. Based on your performance we may make you an offer of full time employment.

Congratulations and we look forward to working with you.

Yours sincerely,

for Ignite Solutions India Pvt Ltd

RE: LETTER OF APPOINTMENT

Dear Mr. Das,

On behalf of **Saraswati Digital Pvt. Ltd.**, it is my pleasure to confirm our offer of employment to you as an **"Business Development Executive"**. We extend this offer, and the opportunity it represents, with great confidence in your abilities. You made a very favorable impression with everyone you met and we are excited with the prospect of your joining our company.

We are pleased to appoint you on the following terms & conditions:

Your effective **Date of Joining** will be **December 03, 2018**.

Your Initial Posting will be at **Gurgaon, India**. However, your services are transferable to any other place or office of the Company or to any subsidiary or associate company, whether now existing or still to be formed. Such transfer / deputation will be in accordance with the company's rules being in force at the time.

This offer of employment is contingent upon the successful completion of your background screening as per the norms of the organization.

1. Compensation

Your total compensation would be **INR 4,00,000/- (Four Lakh)** per annum on a cost-to-company basis including a variable pay of **INR 1,00,000/-** per annum (payable monthly, based on achievement of revenue).
During probation period of 6 months you will be provided by a stipend of **15,000/-** per month.
Early confirmation post 3 months can be given based on your performance for which an official letter will be provided.

Please refer to *Annexure I* for the breakup.

2. Reporting Manager

For all purposes, your reporting manager will be **"Ramandeep Arora - CEO & Founder"**.

3. Notice Period

You will be under 6 months' probation starting from the Date of Appointment.

Subject to the provisions contained in this offer, your services are terminable by either party giving the other **30 days notice** or monthly gross salary in lieu thereof post the completion of probation period. No notice of resignation will be effective if given during a period of leave of absence from the Company and you will also not be eligible for leave during the notice period.

4. Health Clause

You are required to submit a medical certificate on the day of joining which states that you are healthy (physically and mentally) and you can devote your whole time and attention to the Company's business entrusted to you.

Dear Somya, Swaroop,

I had intense conversation with both our head of AI and our COO today morning and I have good news.

We are hereby pleased to inform you that you have been formally inducted to deepkapha.ai program and you can inform your officials.

Please be aware that we will now officially start on 1st Jan now there will be some mails following regarding our internal admin controls.

I will be sending you the following in this same email thread:

- 1- revised internship document - this will clearly state your requested points AS WELL AS our expectations from you regarding guidance / supervision from mentor from DK.
- 2 - project assignment document - 1-pager

As suggested, while we start on the 1st Jan, I would recommend to already start collecting information regarding the PwC Assignment + Netflix links for designing the Jupiter Notebook framework. Feel free to also add your status as interns starting Dec 2018 so it reflects and helps your professional profile.

Warm regards,

Hello,

Thanks for your email and followup call. We accept the two mentioned candidates for internship in our company. There are a few points I want the candidate to note:

1. We are a little far from city and your university. They have to see the location and travel arrangements before accepting.
2. We believe in discipline. Minimum 5 days a week presence is a must and leaves except sunday are on pre-approval only.

Hope to see your students here at JPPL

Thanks

Respected Ma'am/Sir

We're pleased to inform you that three BBA students of your University viz.

Shivanshu Dadich

Pratik Dayma

Faiq ali khan

have been selected for 6 Week Internship Program (May 15 to June 30, 2018) with our organisation WeCan. This is a full time Certificate Internship Program and interns need to work in office and field from 9.00 am to 5.00 pm from Monday to Saturday.

They would need to work with different Verticals namely Administration, Finance and Human Resource for a week each. They would be assigned a research project which includes survey and detailed reporting.

This Project Report would be shared with the college after approval of the Director of our organisation. During the internship, they would be mentored by members of our Board of Advisors as well. Our Board consists of people with high credentials from different sectors.

WeCan is a registered Non-Government Organisation, working in education sector since 2003. Currently, WeCan runs 9 Schools with more than 3500 students in the walled city area of Jaipur. Most of our students belong to the economically weaker sections of society. WeCan also provides scholarships and fee waivers to almost 2000 students.

Ours is an organisation with a unique revenue model and with a team of almost 250 staff members, we're redefining school management. We have been providing internship and volunteering opportunities to foreign students as well and in the last 6 years, more than 50 foreign interns from more than 25 different countries have successfully completed their internships with us.

We look forward to providing an enriching experience to our interns and expect discipline and sincerity.

Kind regards
