Sub: Permission to attend the Global Conference on Multidisciplinary Academic Research (GCMAR-2018) hosted by APIAR, Australia in Bangkok, Thailand during 5-6 May 2018.

Respected Sir,

One of my research paper has been accepted for the mentioned Conference (enclosed) and the reviewers have commended the same. Because of my first year in probation, I couldn't avail the benefits regarding conference participation fully. The mentioned Conference is a reputed one and the outcomes are going to be published in Journals of International repute. It is being sponsored by 'The Case Centre, UK', 'Prince Mohammad Bin Fahd University, Universitas Pertamina', 'University of Twente' and others.

*
Though this is my fourth participation this academic year (first in financial year as the funding follows), it will give me one great opportunity to connect with a global audience. Further, I have sufficient funding (allowance) and number of leaves available for the same. No classes will be affected as the academic session (classes) will be over by that time.

This is for your kind approval and necessary action.

Thanks & Regards,

ADash

Subject: Travel Itinerary for Olin College of Engineering Workshop in June, 2018.

The suggested flight of Virgin Atlantic is not preferred due to following reasons:

1. Two International Transfers (i.e. Delhi to London to New York to Boston) having more journey time by about 10 hrs. including halt time of 8 hrs. in the Night at New York Airport. The journey to be started one day prior i.e. 2nd June, 2018. It will attract extra DA for one day for both the persons.
2. Moreover, the return journey will start at 5.50 hrs. which required check-in at around 2.30 hrs. at Boston and to start travel from Hotel at mid night.
3. The preferred option i.e. Air India + Delta Air Lines is more convenient, being its departure time from India on 3rd June, 2018 (at 01.45 hrs.) and arrival at Boston on 3rd June, 2018 itself (at 12.40 hrs.).
4. The cost difference for two persons for round trip is about 25,000 INR, which will be duly compensated by the reduced DA.

Hence, it is requested to allow the Air India option for the journey.
