Workshop on "Using spreadsheet, for enhancing workplace productivity"

Sept. 03, 2016

Dr. Ashwini Sharma, Associate Professor, Institute of Management conducted a workshop on "Using spreadsheet, for enhancing workplace productivity". The workshop focuses on the skills of using spreadsheet for enhancing workplace productivity. This technique is widely accepted and extremely useful tool for both engineers and managers. The approaches made simplified to give a new dimension to the knowledge and understanding of these techniques. He shared the concepts of Excel in such a comprehensive manner that even a person with no prior knowledge of Excel could comprehend the importance of this software in day to day activities. The workshop challenged the perception that Excel is only a research tool.

The workshop was very enriching and left a deep impact on the audience. The workshop was attended and appreciated by Hon'ble Vice Chancellor, Director – IET, and faculty of both the Institutes.

Report of Training programme on "Microsoft Excel"
Dec. 03, 2016

A training programme was conducted on Microsoft Excel by Dr. Umesh Gupta, Associate Professor-Mathamatics and Gireesh Kaushik, Assistant Professor, CSE dated Dec. 03, 2016 for non teaching staff of University. The training program was focused on:

- Use workbooks as templates for other workbooks.
- Manipulate worksheet data.
- Use intermediate data management tools such as filters and advanced filters.
- Summarize data that meets specific conditions.
- Link to data in other worksheets and workbooks.
- Locate and use some of the more complex Excel functions.
- Create and modify charts.

Participants learn, how to use formulas, conditional formatting, filtering and sorting and many more features.

During the training programme, the hands on session for practicing the the concept learn.

At the end of workshop Dr R. L. Raina, Vice Chancellor, JKLU ask some questions from the participants and motivate them to do more practice.

The participants thoroughly involved in the training programme all the time and shown their interest in such training programmes in future.

Report of training programme on "TCS iON Online Claim Application and Recommendation"

13 June 2017

A hands-on training programme on "TCS iON Online Claim Application and Recommendation" was conducted by Prof. Devendra Bhavsar, Assistant Professor, Computer Science and Engineering and Mr. Yashpal Sharma, ERP Administrator at JK Lakshmipat University Jaipur on 13 June 2017.

In the TCS iON ERP system Claims functionality has been added in ERP system. Claims listed are available for apply through ERP System:

- National Conference Claim
- International Conference Claim
- Children Education Allowance
- Academic Allowance
- LTA Teaching(For teaching Staff)
- LTA Non Teaching(For Non Teaching Staff)
- On duty Claim

After the training evervyone can apply Claim Application online through ERP. Respective heads can recommend their staff claims. Any individual can keep track of his application status like it is recommended or not. The next level of your application status can also viewed.

Prof. Bhavsar started the training with overview of TCSiON features. The training programme was very helpful to the faculty members and other staff for understand the claim process.
