JK LAKSHMIPAT UNIVERSITY

Report of workshop on 'Future Trends in Information Technology Industry' March 11,2016

Department of Computer Science Engineering, JKLU organized a Workshop on March 11, 2016. Mr. Gaurav Kheterpal, Head Mobility, Metacube Software Pvt. Ltd, Jaipur addressed the gathering. After his talk a panel discussion on 'Course Structure Design of B. Tech CSE with Specialization' held under panelist group of Mr. Vinod Gupta (Ex-IT Head of JK organization), Prof. N. Bolloju, Professor, LNMIT, Jaipur and the Faculty Members of Department of Computer Science Engineering, namely Dr. Sonal Jain, Dr. Kavita Choudhary, Dr. Paras Jain, Prof. Devendra Bhavsar and Prof. Gireesh Kaushik.

Report of workshop on "Making education system more flexible"
Dec. 08, 2017

JK Lakshmipat University organized a workshop on "Making education system more flexible" with newly Inducted member of the Board of Management, Dr. Pramath Raj Sinha, on December 8, 2017. Dr. Sinha has been associated with the Indian School of Business (ISB) and Ashoka University. During the workshop, he emphasized on making education system more flexible in terms of depth and width. He strongly believes that India would be a powerhouse of building world class institutions. He further said in India students and job market decides that a Programme is academically sound or not. It is not only availability of the resources but the usage of resources which decides the possibility of achieving the goals. Children are immature in taking decisions in their early stage. So do not limit their scope and offer them wide range of courses with full flexibility to make them versatile. While highlighting the importance of communication, he said Reading, Listening and Writing are the basic requirement of the world, so these should be the baseline of education system. Learning by doing and experiential learning should also be adopted by academic institutions. The session was coordinated by Dr. Sheetal Mundra.

Report of workshop on "Music based leadership program"
23 March 2018

Building multi-disciplinary perspectives has one of the biggest focus points of our curriculum redesigning efforts at JKLU. As a part of this effort, a professional Development workshop on "Music based leadership program" was organized on 23rd March 2018. The expert for the workshop was Mr. Vishal Malik, Director of Operations & Administration at McKinsey & Company which is world's No.1 Consultancy firm. The pivot of his presentation was about music based leadership program.

The program started after Dr. D Seth gave introduction of the guest and PVC gave a floral welcome to the expert of the session in the presence of Vice chancellor Dr. R.L Raina. During his two hours long session Mr. Malik talked about his personal story and life experience through music and gave 10 leadership mantras through songs. He shared his experience about his career journey: his modest beginning and how he reached McKinsey & Company through self-motivation and advised students to move out of their comfort zone to achieve success in life. He said you should start with whatever opportunity comes in your career path which is similar to what you have dreamed and capitalizing on it. He stressed on the fact that you should find proper mentors in your life and respect self, teachers and care for the reputation of the college and finally he said live and lead life like a Marathon!

The program was attended by the students of both Institute of Engineering & Technology as well as Institute of Management.

The program was concluded after the PVC of the University Mr. Asheesh Gupta gave a memento to the invited Guest Mr. Malik as a token of remembrance. The program was coordinated by Dr. D Seth Associate Professor Department of Electronics & Communication Engineering and Mr. Arihant Jain.

Report of workshop on "Cyber Security and Digital Forensics"
23-24 March 2018

A workshop was organized on Cyber Security and Digital Forensics for B. Tech. Computer Science Engineering students of IV and VI semester on 15 January 2018. The speaker of the Workshop was Mr. Chirag Goyal who is a certiбied ethical hacker and forensics investigator. He was accompanied by Mr. Divyam Goyal and Ms. Nikita Gupta who work as a part of the development team. The main purpose of this Workshop was to brief the students about Cybercrime, Digital forensics, tools used for ethical hacking and ways to avoid cyber-attacks. Mr. Chirag Goyal in his training session discussed with the students about cyber security, how crimes are committed, the concept of ethical hacking and its scope as a career prospective. The session was wrapped up with an interesting hack which was used to manipulate the price of item on an ecommerce site followed by a Q&A round. Faculty coordinators Dr. Sonal Jain and Prof. Devendra Bhavsar presented mementos to Mr. Chirag Goyal and Ms. Nikita Gupta as token of gratitude.

Report of workshop on "Teaching Engineering Students: A way forward"

Sept. 1, 2018

A workshop was organized for faculty members on "Teaching Engineering Students: A Way Forward" by Prof. Sanjay Goel, Professor & Head - Department of CS & IT at Jaypee Institute of Information Technology (JIIT), Noida on September 1, 2018.

Prof. Goel focused on innovation drivers and four-dimensional taxonomy of pedagogic engagements in engineering education. The event was coordinated by Dr. Kavita Choudhary.

List of Participants

S.N.	Name of the participant	Designation
1	Dr. R. L. Raina	Vice Chancellor
2	Dr. Shishir Chandra Bhaduri	Associate Dean-IET
3	Dr. Manoj Bhatia	Associate Dean-IM
4	Dr. Jyoti Prakash Naidu	Associate Dean-Research
5	Mr. Ramkumar Agrawal	Assistant Professor

Report of Training programme on
"Fraud, Corruption and Bribery: How to Detect and How to Prevent?"
4 Sept. 2018

A training programme on "Fraud, Corruption and Bribery: How to Detect and How to Prevent? " by seasoned academician Prof. Kuldeep Kumar, Professor of Economics, Bond Business School, Australia on 4 September 2018.

Prof. Kuldeep discussed about financial fraud and then the consequent bankruptcy of a business was one of the reasons for the financial crisis and is usually an extremely costly event. Downturn in financial and economic conditions has triggered a jump in the fraudulent activity in the corporate world. He explained fraud triangle to explore reasons why people commit fraud.

Using supervised learning models, financial statements can be automatically classified as either fraudulent or legitimate, as well as being ranked according to their likelihood of being fraudulent. This information can be used to improve early detection, which would mitigate the costs of fraud and help deter it from occurring by increasing the probability of being detected. The event was coordinated by Dr. Kavita Choudhary, Associate Professor, CSE Department.

Report of workshop on "Machine Learning"
November 19-21, 2019

The JKLU-IEEE Student Council conducted a workshop on 'Machine Learning' at Institute of Engineering & Technology from November 19- 21, 2019. The resource person for the workshop was Mr. Vijay Shanthagiri from Analogica Software Development Pvt. Ltd., Bangalore. Students from Computer Science and Electronics & Electrical Engineering participated in the three days hands on sessions. Prof Sanjay Goel, Director, Institute of Engineering and Technology addressed the students and discussed the goals of IEEE and the strategy for achieving these goals. Prof. R.L. Raina, Vice Chancellor, JKLU interacted with the students during the workshop.

Report of training programme on
"Changing Communication Dynamics at the Workplace"
Sept. 26, 2020

A training programme on "Changing Communication Dynamics at the Workplace" was conducted for the faculty members and students of JKLU.

The training programme was held on Sept. 26, 2020 in online mode (Zoom platform). The expert of the training programme was Dr. Satish K Nair, Strategy, communication and entrepreneurship educator, from School of Petroleum Management, Gujrat.

Th training programme addressed the key topics such as VUCA world, the shifting demographics at the workplace, with more millennials and the post-covid situation facing the already beleaguered corporate world.

In the questions answer segment, the students asked their questions were responded enthusiastically by the speaker.

Dr. Richa Mishra, Assistant Director, Centre for Communication and Critical Thinking, thanked the speaker and shared her views on the theme and the session, Ms. Anushree Dixit, proposed the vote of thanks. There were 100 attendees on Zoom and 439 attended through facebook. This session was coordinated by Ms. Anushree Dixit, Faculty, Centre for Communication and Critical Thinking.
