CIRCULAR

February 24, 2020

Subject: Ban on use of single –use plastic items in JKLU campus.

Jk Lakshmipat University has unanimously banned single use plastic/thermocol in any manner in the premises of the JKLU campus, Jaipur in the interest of the University and public at large.

Whereas the educational institutions have the unique spread and influence to educate the students and households on the need for avoiding usage of plastics.

In view of above, all the faculty, staff, Vendors & students of the University are hereby informed that:

- Our University has banned single use plastic/thermocol in any manner in the campus with immediate effect to save the environment.
- \checkmark Carry out awareness drives and sensitization workshops on the harmful impacts of single use plastics.
- \checkmark Sensitize your respective households about harmful effects of plastics and make their households 'plastic free'
- \checkmark All are advised to encourage use of alternative solutions like cloth bags, paper bags etc., instead of plastic bottles, bags, covers and other goods on campuses.
- ✓ This is for strict compliance.

Looking forward to your kind cooperation in this context.
