JK Lakshmipat University (JKLU), Jaipur

Established in 2011, JK Lakshmipat University (JKLU) is located in the historic city of Jaipur, Rajasthan. Supported by the JK Organization- 125 years old legacy of contributions to nation- building, the JKLU is passionate about building the country's most innovative higher education institution. The 30-acre campus is a modern, environmentally conscious and inviting space designed to help students live, work and play in a setting that is safe, productive and student-centric. JKLU has the following vision and mission:

Vision: - To create an educational environment that engages deep intellectual, moral and spiritual stimulation, thereby nurturing leadership.

Mission: - To Practice a 'mentoring' based education system with intellectual, moral and spiritual culture of its own rooted in Indian ethos and in tune with the global vision of the time. To inculcate learning through understanding, knowledge enhancement, skill development and positive attitude formation. To encourage innovative thinking. To develop a mindset for action without fear, with self-discipline and care for society.

Lush Green Campus

The University has a sprawling lush green campus and offers the students an open, green and high-tech learning environment, combining the serene settings of the Gurukuls of yesteryears with the technological advancements of the new age. The campus presently prides of having 1400 trees of different varieties, flowering shrubs and plants which makes the campus green and color ful.

As part of their CSR initiative, National Seeds Corporation gifted 300 saplings. A tree plantation campaign was organized in the campus by the students in the presence of the officials of National Seeds Corporation on March 31, 2016. A tree plantation campaign by the fresher's is planted during the onset of the monsoons in the month of July and August. The event was coordinated by Col. S. Manohar.

Community Development Committee (CDC) of JK Lakshmipat University planted around 150 saplings throughout the campus. The activity was inaugurated by the Honorable Vice Chancellor, Dr. Roshan Lal Raina by planting the first sapling and was followed by the CDC Coordinators, Students and other faculty members. Students of all the programs actively participated in this activity. The plantation was taken up with an intention to sensitize the students towards nature and making them realize their responsibility for future. The event was coordinated by Prof. Divanshu Jain, Dr. Shahnawaz Khan, Dr. Jaya Gupta and Dr. Vaibhav Kaushik.

We have a dedicated contract with M/s. Vikram Nursery, C-18, Gayatri Nagar Vistar, Rampath, Maharani Farm, Durgapura, Jaipur for gardening and maintaining greenery in the campus.

Tree plantation drive was recently organized at J K Lakshmipat University on 30th June 2020 at 11:00 AM to create the awareness among people towards saving our planet and spread the message - 'Protecting our environment is the need of the hour.'

People participated in the activity with full of zeal and brought various saplings including Ashoka, Neem etc. They helped each other in planting the saplings in the campus & near Mahindra SEZ roads towards campus. Enclosed are the pics of the activity.
