Young Indians and India, an initiative by CII celebrated 75th foundation day and organized a Cleanliness drive on 21st January, 2017 under national volunteering week.

Yi Yuva student team of JK Lakshmipat University along with the other institutes took part in cleanliness drive at Vivekananda Industrial area, Jaipur. Team cleaned the footpath areas, which were all covered with industrial waste. It was informed that the area had not been cleaned for the last 5 years and many didn't know about the footpath hidden below the garbage. With the help of Municipal Authority Jaipur, the waste and garbage were dumped at the appropriate place. The Cleanliness drive took place for 2 hours and Yi Yuva team of JKLU was appreciated for their work.

Residents of the area were pleased by the efforts of the students and Yi Yuva team. They promised to keep place clean and would not throw any waste on the foot path. Students were seen enthusiastic and happy to contribute in nation building. All the participants were served breakfast by the Yi Yuva team. The event was coordinated by Dr. Sheetal Mundra and Dr. Umesh Gupta and student coordinator, Tanay Mathur, student of BBA VIth Sem.

It was 11th of December 2016. The students of CDC from JK Lakshmipat University, Jaipur and members of Act For Future organization went for the cloth distribution drive in Jaipur. The cloths were collected from JK Lakshmipat University campus and Hotel Holiday Inn, Jaipur. Our agenda was clear that we have to distribute cloths to those people who are in true need of that.

Six different places were spotted in Jaipur city for this cloth distribution drive. The places were:

200ft bye pass

Kathputli slum area

Near Govind Dev Ji Temple

S.M.S. Hospital

Malviya Nagar

Gandhi Nagar, JLN Marg

We Started from JK Lakshmipat University at 9:00 AM. We were total 31 volunteers. First of all we distributed cloths at 200 ft bye pass. Here we found laborers working in a buildings and on road side. They were really happy after receiving cloths.

Our next stop was Kathputli slum area. The condition there is really miserable. The air is polluted and the land is filled with plastic waste. The living style of people here is very unhygienic.

After Kathputli, we went to Govind Dev ji temple area. Here we found many needy people. Our most of the time spent was here.

While moving places to places, we also distributed cloths to the rickshaw drivers.

From here we went to S.M.S. Hospital. There is a small colony of workers behind S.M.S. hospital. People here were very happy after receiving cloths and appreciated this act. Here we met a nine year old boy who refused to take cloths and said "At this moment I have cloths to wear, please give these to child who is in more need than me." Then with full confidence he said "one day I will also help in improving the society." We were really very happy and shocked to hear these lines from a nine years old boy. This incident filled the entire team with immense amount of energy and confidence.

It was already 3:00 PM. While continuing the drive from S.M.S. we went to Malviya Nagar. At 4:00 PM we did our lunch there.

From there we went to JLN marg. After continuing the drive we wind it up at 6:10 PM.

Then to refresh the team and to gain some knowledge about environment. The team went to Jaldhara Park. Here the team relaxed for a while and enjoyed the green environment there.

Then after this we faced back to university. We reached university at 7:20 PM

It was a well spent day with social as well as an educational drive for the team.

More than 400 pieces of cloths were distributed.

The Entire team presents full heartily gratitude towards Col. S. Manohar sir, Dr. S.K. Tomar sir and JK Lakshmipat University for helping us in making this drive a huge success and providing us travelling support. It wouldn't be so huge event without your support. Thank you very much.
